South Texas County Judges and Commissioners,

As the economy has become a daily topic in most of our lives, we know that costs, especially in education, change daily also. With that thought in mind; the South Texas County Judges and Commissioners Association is now accepting applications for the awarding of scholarships for children or grandchildren of current County Judges and Commissioners.

College scholarships in the amount \$1,000 will be awarded to three applicants during the Annual Conference in San Antonio on June 26-29, 2023.

To be eligible for scholarship consideration, applicants must be a child, grandchild, or under the legal guardianship of a current Judge or Commissioner. Each of the applicants must be a current resident of a county within the 63-member county region. Applicants must be a graduating high school senior for the class of 2023 or pursuing an undergraduate degree at a four-year university.

Applications will be judged on the following criteria:

- * Personal resume
- * Letters of reference (3)
- * Official transcript
- * Completed application form

The scholarship's funds are not derived from tax dollars collected from member dues. Instead, funding comes from previous conference proceeds, not at taxpayer expense.

All entries are to be submitted to South Texas CJCA President Joe Gonzalez for Scholarship Committee consideration. **All entries are to be received or postmarked by 5:00 p.m. on May 19, 2023.** Entries are to be sent to:
