West Texas County Judges and Commissioners,

As the economy has become a daily topic in most of our lives, we know that costs, especially in education, change daily also. With that thought in mind, the West Texas County Judges and Commissioners Association is now accepting applications for the awarding of scholarships for children or grandchildren of current county judges and commissioners.

College scholarships in the amounts of \$1,500, \$1,000 and \$750 will be awarded to three applicants during the annual conference in Wichita Falls on April 21.

To be eligible for scholarship consideration, an applicant must be a child, grandchild, or under the legal guardianship of a current judge or commissioner. Each of the applicants must be a current resident of a county within the 119-county member region. Each applicant must be a graduating senior for the class of 2026 from a high school within the 119-member county region.

Applications will be judged on the following criteria:

- \* Personal résumé
- \* Letters of reference (3)
- \* Official transcript
- \* Completed application form

The scholarship's funds are not derived from tax dollars collected from member dues. Instead, funding comes from previous conference proceeds, not at taxpayer expense.

All entries are to be submitted to Wichita County Commissioner Jeff Watts for Scholarship Committee consideration. **All entries are to be received or postmarked by 5 p.m., April 1, 2026.** Entries are to be sent to:
